

For Immediate Release July, 2006

NB Bioscience CANADA launches online spore test results!

Mississauga, Ontario July 31, 2006, NB Bioscience CANADA, together with its exclusive partner HANSAm Limited, announce online spore test results. Spore testing customers can now obtain their test results even quicker by accessing their results online. NB Bioscience is CANADA's leader for quick, easy, and economical spore testing options.

For more information regarding mail-in testing service, or in-office biological spore testing, please call HANSAm Limited at 1-800-363-2876
